Notes for Martha Patsey Graves:

The book on gravestones states they could not find, as recorded in 1974, the stone of Patsey R. Nuckols wife of Andrew Knight Nuckols. She died May 10, 1818 age 35 years & 5 Months. This should be Martha Patsey Graves Nuckols. The death date in the gravestone book and the family Bible

are
the same.

Notes for Jane Ramsey:
Jane Ramsey is the child of Samuel Ramsey and Elizabeth Lyle of Galax VA., Email from Ramsey researcher 7/13/2007 kraftcohen@rcn.com Marhsall Cohen

The transcription of the tombstone on the internet is wrong. It says age 24. A RAOGK volunteer drove to the cemetery on 7/14/2007 and her husband dug up the buried end of the stone to find her age was 74 years which in fact fits with the history of the Lyle family research. It indicates she was probaby the first born child of Samuel Ramsey and Elizabeth Lyle.

Samuel Ramsey and Elizabeth Lyle were married sometime before 1772 (I have found no record). They had 10 children, the oldest of whom was born in 1772 and the youngest of whom was born in 1799. Jane is the only child for whom I have no birth or death dates. Two of her sisters were married in 1808 and 1809, so that is a likely approximation. Oscar K. Lyle did an important tome in 1912 on the Lyle family in which much information is contained. Many folks have cited this in their family genealogies on Rootsweb. Many people say that Jane married an Andrew Knuckles at some point. Lyle says that Samuel Ramsey had purchased land in Highland County, Ohio, and that he planned to move there. He had sold his Virginia farm and promptly died. His widow and all of his children but two, moved on to Ohio.

Presbyterian Church records show that Jane and Andrew moved to Staunton, Virginia in 1808, Lexington Presbyterian Church Records (Contributed by Patti Wood, Palo Alto, CA.)
From Microfilm: Union Theological Seminary in Richmond. Title: "Lexington Presbyterian Church Records." [on 5 reels] (Abstracts)
Miss Jane Ramsay Staunton 1808 d. 45 w. McClung (w. McClung struck through. AMR]
106 Miss Eliz. Ramsay Ohio 1813 d. 45, w. 109

108 Miss Ann Ramsay Ohio 1813 d. 45

. If Lyle is correct, the couple probably moved on to southern Ohio. Margaret Ramsey Adair, one of the two sisters I mentioned above (married in Virginia in 1808) moved with her husband, George Adair, to Ross County, Ohio. (1850 Census Ross Co, Paint Ohio, next to child of Andrew Nuckols who married Joseph McCoy) (pg387) Depending on the dates, it is highly likely that the Andrew and Jane that you mention are the ones. On closer examination of the Oscar Lyle book (available on Heritage Quest) it says that Jane Ramsey died at age 80 but lists no birth date. She married Andrew Knuckles, farmer, when she was 50 years old! no issue. She must have gone west with her Adair and Ramsey relatives ca 1813. She must have married the widower late in life. Clearly this was a second marriage

Also, my wife's great Aunt Louise Hagan Bolen lived in Galax, Virginia, in an old farm house. The place was supposedly haunted, and when my wife heard noises, she said that it was simply the ghost of "Old Mister Knuckles" who had had a peg leg while he was alive. Galax would have been in Grayson County. (Additionally, the "old Mr. Knuckles" that I alluded to in the ghost story, is an entirely different matter. This tale comes from Louise Hagan, married to a David Bolen. Their farm was outside of Galax, Virginia. I believe that it is in Grayson County, but it is bounded on the east by Carroll County. My wife and her family were staying at the Bolen home and heard unusual noises in the house: the sound of what seemed like a peg leg and pool balls clicking together. In the morning when my wife asked Louise about the noise, she said that it was the ghost of old Mr. Knuckles, an old farmer who like to play pool on their table when he was alive. I know nothing more on this score. I)

The judges ordered an election to be held at the house of John Crouse on the 21st of June, 1803, for the election of three justices of the peace who should each serve for three years. The earliest records procurable show the election of John Ramsey, as justice, on April 11, 1809 ; Isaac Claypool, April 15, 1810, and George Ramsey on April 6, 1812.

Notes for Elizabeth Ann Nuckols:

Since I wrote to you on January 4th, I have made good progress investigating the wives of Andrew Knight Nuckols. This is what I have found. One of the wives listed in my family history was an Elizabeth McCoy. While looking at the book I bought on the gravestone inscriptions of the Nuckols Cemetery in Fruitdale, Ross County, Ohio, I saw the name Eliza Ann wife of Joseph McCoy. She died in October, 1841 aged about 36 years. Instead of being Andrew Knight's wife, I believe she is his daughter Elizabeth "Eliza" from his marriage to Martha "Patsey" Graves.

Here is the sum total of what I know about Samuel Nuckols

He was born around 1815 in Virginia On 7 September 1843 he married Mary Kay Wilkinson in Ross County Ohio Mary Kay was b 1809 in Virginia d 22 Nov 1900 in Pennville Jay County IN she was the daughter of Samuel R Wilkinson and Elizabeth CollinsHe died in 1896 in Jay County IN both are buried in Pennville Jay County IN

Their children were William S, Jesse, Elizabeth and James L.

Samuel left Virginia with his family when he was 13 years old. In 1865 he loaded his wife and children (William S. was 6 years old at the time) into a wagon and moved West to Jay county IN to a 72 acre farm there. I know more about William S and his descendants and now will look more intently for the Wilkinson family.

Another note after reading what Hubert wrote.....Dave's Mom (Majorie Louise Nuckols) died at 35 years old from complications of rheumatoid arthritis. David on the other hand is a juvenile diabetic. He was diagnosed at 9 years old, 3 years after his mother's death. We've been married 27 years and the last 15 has had some challenges with his health. 13 years ago at 36 he had a series of heart attacks that led to a 5 way bypass, later that year his kidneys failed. 1 year after that he was the lucky recipient of a kidney/ pancreas transplant at Duke University (only the 11th person to have that surgery), For 12 years you could not tell there were any health problems. In the year of the transplant and the bypass he missed less than 1 month's work. In the past 11 years no more than 3 or 4 days a year for the flu or a head cold. Last spring he lost his left leg to an undiagnosed infection. He missed a bit of work but has been back on for nearly a year now on his prosthetic leg and again from all appearances he is a healthy 49 year old guy, (he's all psyched up to put a waterfall in the backyard this summer).

Marriage Notes for Samuel Nuckols and Mary Wilkinson:
Name listed on marriage certificate was "Samuel"

Today I recieved a copy of the marriage record of my Lemuel/Samuel from Ross county Ohio After perusing an entire page of this clerks writing I am 99% certain the name is Samuel, not Lemuel. Many of the S's look like L's, but when space was tight he made the S's less elaborate. Samuel is written out 3 times in the record and two of the times they are definitely Samuel. It seems that the main entry on the left side of the record is the one that looks most like Lemuel. So I guess that that mistake was complicated when the record was transcribed. I can't believe we may have found a family for long lost Lemuel/Samuel.....I suppose now it should just be no longer lost Samuel!

James A Nuckols, D.C., who is established in the successful practice of his profession at

Wilmington, judicial center of Clinton County, was graduated from the National College of

Chiropractic in the City of Chicago, and has been engaged in active practice since 1914, the

year 1920 having marked the initiation of his professional work at Wilmington and his practice here being of representative order. While analysis of the surname Nuckols seems to indicate a remote German origin, the American branch of the family traces its lineage to a sturdy Scotchman, who was a substantial shipbuilder in Scotland, where he maintained his home in the City of Glasgow. According to well established family tradition there were nine Nuckols brothers who came from Scotland to America, and their posterity is now scattered about in different states of the union. Investigation made by representatives of later generations of the family all seem to indicate a common ancestor, the Glasgow shipbuilder. The southern branch of the family is apparently the more numerous and has perpetuated the patronymic through a greater number of male children than has the branch of the family north of the Mason Dixon line. The Nuckols in Ohio are direct representatives of the Virginia branch of the family. In 1816 Andrew J Nuckols came from Virginia to Ross County Ohio, Chillicothe, that county, having then been the political center of this state. Edmund J Nuckols, grandfather of Doctor Nuckols, was of the young age of seven years at the time the family migration from Virginia. The family became possessed of 400 acres of land in the Fruitdale District, a portion of this ancestral estate being still in the possession of the family. Edmund J Nuckols had four sons who attained to maturity, and one of these was James A Nuckols, father of him whose name indicates this sketch. James A Nuckols Sr wedded Martha R Howe, a representative of another of the sterling pioneer families of Ross County. Representatives of the Howe family served as soldiers in the War of 1812, and both the Nuckols and Howe families gave valiant soldiers in the Civil War. James A Nuckols, Sr is now deceased, and his widow is a resident of Willmington, OHio. Dr James A Nuckols is the eldest of the children, and the others are: Frank R, Burt B, Clavin M and Dr Otto L. While in America the family name has to a large extent been closely associated with agricultural industry, there have also been skilled mechanics and professional men in the later generations. Some of the first and second generations of the Ohio branch attained to ripe old age, but of these two generations not one now remains. While in Virginia the men of the Nuckols line voted the democratic ticket, the Ohio representatives have given in larger number an allegiance to the republican party, from the time of its organization to the present. While the early generation were too fully concerned with the reclaiming of the wild land to cultivate to have much thought for special fraternal or organized social life. Doctor Nuckols of this review is affiliated with the Masonic fraternity, his brothers likewise being identified with fraternal organizations. Many representatives of the family have been numbered among the numbers of the Methodist Episcopal Church, while the Baptist Church has claimed from the family a goodly number of members. Dr James A Nuckols was born in Ross County, Ohio, and his early education was obtained in the public schools. Of his professional training and work adequate record has been given in as early paragraph of this review. The doctor wedded Miss Bertha J Zehner, a representative of an old and well known Indiana family.

(This is not a sister, as his mother was 70. It is a sister to Alij,(but really is a brother.)

William S. NUCKOLS, a well known and substantial farmer and landowner of Knox township, is a "Buckeye" by birth but has been a resident of Indiana and of Jay county since he was six years of age. Mr. NUCKOLS was born on a farm in Ross county, Ohio, September 29, 1852, and is the son of Lemuel and Mary K. (WILKERSON) NUCKOLS, whose last days were spent in Jay county. Lemuel NUCKOLS was a Virginian by birth and remained in the Old Dominion until he was thirteen years of age, when he went to Ohio and after his marriage settled down in Ross county, where he was the owner of a farm of seventy-two acres. In 1865 he disposed of his interests there and putting his essential household belongings into a wagon drove through with his family to Indiana and settled on a quarter section of land he had bought in the woods of Knox township, this county. That quarter section was wholly unimproved when he settled there and he put up a house and proceeded to clear the place, in good time bringing it under cultivation, and there he spent the remainder of his life. He and his wife were the parents of four children, those besides the subject of this sketch being Jesse, Elizabeth and James L. Having been but a child when he came to Jay county with his parents in 1865. William S. NUCKOLS received his schooling in the schools of Knox township and from the days of his boyhood was a helpful factor in the labors of developing the home place. After his marriage he established his home on that place and has continued to reside there, now the owner of the entire farm, a place upon which he has made many substantial improvements. Mr. NUCKOLS is a Republican and has ever given a good citizen's attention to local civic affairs. William S. NUCKOLS has been twice married and by his first wife, who was Lydia WRIGHT, is the father of four children, namely: George, who married Ima ZEIGLER and has seven children; Allie, who married Luther ZEIGLER, a cousin of her brother

George's wife, and has two sons; Francis, who married Sarah MAITLEN and has seven children, and Oscar, who married Amy RIDGEWAY and has three children. Following the death of the mother of these children Mr. NUCKOLS married Anna CURRENT, a daughter of James K. P. CURRENT and a member of one of the old families of Jay county.
